Dear Beclabito Day School Families and Students,

Welcome back to a new and exciting school year at Beclabito Day School! Once again, we are thrilled to see your smiling faces fill our halls. This year promises to be one of growth, challenge, and fun for all our students.

At the Bureau of Indian Education, we are committed to providing a comprehensive educational experience that nurtures the mind, body, and spirit. Our Strategic Direction focuses on creating a culturally relevant and academically rigorous environment where every student can thrive. This year, we will continue to build on this foundation, ensuring that our students are challenged academically and supported in their personal and social development.

We have many exciting programs and activities planned to allow our students to explore new interests, develop their skills, and have fun along the way. From reading and math instruction to Dine language and culture, there will be something for everyone to enjoy and learn from.

Our dedicated staff are here to support each student on their journey, and we are excited to spend this year together, learning and growing as a community. We believe that every student has the potential to achieve great things, and we are here to help them every step of the way.

Thank you for being a part of Beclabito Day School. We look forward to a fantastic year ahead, filled with learning, laughter, and memorable experiences.

Warm regards,
Colletta Wilson, Head Teacher,
Beclabito Day School

Go Bobcats!
